## Your Responsibilities

You may be asked to bring proof of what you write on your application or what you tell the person interviewing you. If you need help getting proof, the person interviewing you will help. Examples of some of the items you may be asked to prove and documents you can use for proof are listed below.

Where You Live and Plan to Continue Living — Mail that you received at your address; school records; voting records; property taxes, rent or mortgage receipts; Texas driver license; and other official identification.

What You Own and What it is Worth – Property tax appraisals; estimates from car dealers; ads selling similar items; statements from real estate agents; and bank statements.

Your Income – Paycheck stubs; paychecks; W-2 tax forms or income tax returns; sales records; statements from employers; award letters; legal documents; and statements from persons giving you money.

Other Health Care Coverage – Award or claim letters; insurance policies; court documents; and other legal papers. Information regarding Social Security numbers should be given if this information is available. Information regarding sex (male/female) is voluntary. This information will not affect your eligibility.

You must give information about health care insurance and any other third party financially liable for health care services paid by the county for yourself and members of your household. By signing and submitting this application, you are agreeing to give the county the right to recover the cost of health care services provided by the county from any third party.

You may be asked to apply for Medicaid, Temporary Assistance for Needy Families (TANF) or Supplemental Security Income (SSI) benefits. If you are asked to apply for one of these programs, or have applied but are waiting for an answer, your CIHCP application may be pended until you are determined ineligible for the other program. If you are not eligible for these other programs and if you have answered all the questions on the application and have given all the proof asked for, your application can be processed. Then, the CIHCP must determine if you are eligible within 14 days.

After turning in your application, you must report within 14 days any changes in your address, income, resources, people living with you, or application for or receipt of Medicaid, TANF or SSI.
