**DISCUSSION:** Commissioner Jumper reported finding the thermostat set on 70 degrees at the Fire Training Facility and he turned it down to 55. It was suggested the reason the thermostat was set on 70 degrees may be to help dry up the building from the busted pipes. Commissioner Cooper expressed he would like to sell the hospital. Treasurer Betty Sue Allen reported the \$61,000 the insurance paid to Serve Pro would have to be reimbursed if we sold the building. She also reported the Hero's Banquet is Friday night.
