The Franklin County Commissioners' Court met in a Workshop Session May 9, 2016 at 10:00 AM at Franklin County Courthouse County Courtroom located at 200 North Kaufman Street, Mount Vernon, Texas

Members present: Scott Lee, County Judge
Danny Chitsey, Commissioner, Precinct 1

Betty Crane, County Clerk

VISITORS: Butch Carraway, Bert Edmondson, Jim Alford, Jerry Cooper, Betty Sue Allen, Tina Phillips, Sue Ann Harper, Ellen Jagers and Lillie Bush-Reves

Judge Lee called the meeting to order. Judge Lee asked Mr. Carraway if there was something he needed from the Court. Mr. Carraway was upset with the flooding on CR 3470. He said Commissioner Carr had put in a 4 foot pipe culvert and it was not adequate because water still goes over the road. He requested Commissioner Carr to replace a 4 foot culvert with a bridge. Commissioner Carr reported he had replaced a four foot culvert that had been there 30 years with a new four foot culvert. He reported Mr. Carraway cleared his land by removing timber and brush and that is when the problem worsened because of the drainage from the cleared property. Commissioner Carr explained it would take \$45,000 and four weeks of labor to put in a bridge on the road. Commissioner Carr reported there were other roads that needed bridges replaced that were much worse than the culvert on CR 3470.
