

ACCESS TO COUNTY BUILDINGS

Effective immediately and until further notice, all Franklin County buildings will have limited public access due to the COVID-19 (Coronavirus).

We apologize for any inconvenience this may cause but feel this is in the best interest of our employees and the public.

We ask that you call the department you need to speak with and reserve on-site visits to a minimum.

If you cannot handle your affairs via phone or online, access to the courthouse is only available through the North entrance at the basement level.

The Franklin County Courts and staff will be in the office but will only hear essential proceedings. These include, but are not limited to, family violence protective orders and mental health commitments.
