additional tax rate of \$0.1500 attributable to the bonds). The total overall tax rate of the District is expected to be \$1.0055 per \$100 of taxable assessed valuation, which is comprised of the sum of (i) the expected debt service tax rate of \$0.2200, and (ii) the most recently adopted tax rate for maintenance and operations of \$0.7855. This estimated total tax rate is derived from projections obtained from the District's financial advisor and the appraisal district, and is provided without any assurance that such projections will be realized. At the time the bonds are issued, the actual total tax rate will depend upon, among other factors, prevailing interest rates, the assessed value of real property in the District, the availability of the Permanent School Fund Guarantee Program, and general market conditions.
